NEW TO LIVING NATURE!

NATURLI is our new roots to branch approach to making our Living Nature toys more sustainably.

Being more 'Naturli' is all about caring for our environment and teaching kids about animals and their habitats through play with engaging, quality toys.

Look out for more Naturli toys being introduced throughout the Living Nature range in 2021!

Our entire range of Living Nature Smols have been created 'Naturli' from recycled plastic.

The green tag is being added across the rest of the Living Nature brand as we begin to make the swap to sustainable recycled plastic!
